Dear Student:

Welcome to Manhattan School of Music! These are important years in your development as an artist and as a person. I wish you every success in your endeavors and I am here to assist you in any possible way. This document is designed to answer frequently asked questions about the string department. The responsibility for knowing the information contained in this handbook, as with all school policies and procedures, rests with you. Consult your major teacher or the chairman with any departmental questions or concerns.

With best wishes,

Nicholas Mann
String Department Chair

This handbook does not apply to students enrolled in the Orchestral Performance Program or the Pinchas Zukerman Performance Program. Consult the appropriate program director.
I. Introduction to the String Department

1. Your Teacher
   This is one of the most important parts of a musician’s development. Your teacher is among the most vital sources in helping you to make career decisions, both large and small. As in any relationship, issues may arise which need discussion and/or resolution. I encourage you to discuss problems, as they occur, directly with your teacher. Unresolved issues and/or the sense that you cannot discuss problems with your teacher need to be addressed with the chairman or the dean of academics.

   You are entitled to and required to have twenty-eight one-hour private lessons with your major teacher in the course of the school year. Some teachers give these lessons each week. Others, given the nature of other performance and teaching commitments, offer two-hour lessons and/or lessons at differing intervals. Others still have teaching associates or substitutes to give lessons at times when they are unable to do so. Make certain that you understand your teacher’s lesson schedule plan. If you are concerned that you are not receiving the requisite number of lessons, or have a problem with the frequency of your lessons, notify the chairman.

2. Change of Teacher
   This is an important decision to be thought over carefully and thoroughly. Student decisions to change teachers are often the result of miscommunication or lack of communication with the current teacher. You are therefore encouraged to discuss the matter with your teacher and/or with the Chairman and the Dean of Students. A change of teacher request form must be obtained from Vice President/Dean of Faculty and requires the signatures of
the proposed teacher, the Chairman, Dean of Faculty, and
the Dean of Students. The form must be filed with the Dean
of Students by the date listed in the academic calendar.
Requests received after this period will not be considered.
Requests made in a final graduation semester will also not
be considered. School policy prohibits any action against a
student by a former teacher.

3. Contacting the String Department Chairman
If you need to contact the Chairman, do so in one of the
following ways:
* Schedule an appointment at the string department
  office, Room 503. There is a sign up sheet provided on
  the door.
* Send an email to Mr. Mann at nmann@msmny.edu

There is an inbox and outbox folder next to Room 503.
Forms (except for change of teacher) may be left for
the Chairman's signature - PLEASE NOTE -
ALL FORMS MUST BE COMPLETED AND WITH ALL
OTHER NECESSARY SIGNATURES BEFORE BEING
LEFT FOR THE CHAIRMAN'S SIGNATURE

4. String Department Bulletin Board
This is located on the second floor, along with all
departmental bulletin boards. Check it periodically for
special departmental notices.

5. Playing-related Pain
If you experience pain before, during, or after playing
your instrument, discuss it immediately with your major
teacher. Physical pain is a sign that you are not using your body correctly. There are referral sources available to help you with this before it becomes chronic or serious. If physical therapy or other help is needed, consult the office of student life.

6. Eisenberg-Fried Concerto Competition
The string concerto competition will be held on **February 20, 2015** in John C. Borden Auditorium. There will be a preliminary audition on February 17, in the William and Irene Miller Recital Hall. Applications are available in the office of the Manager of Chamber Music and Ensembles, Room 305. The signature and approval of the major teacher are required. Application deadline is February 2. The winner will be chosen from departmental auditions. There will be no interdepartmental finals, and there will be one annual winner from the string department. The following concerti are ineligible this year: Tchaikovsky Variations on a Rococo Theme, Stravinsky Violin Concerto and the Sibelius Violin concerto

7. Master Classes
Classes will be given periodically by visiting artists. A listing of classes will be posted on the string department bulletin board. Participation in master classes is determined by teacher nomination and, in most cases, by subsequent competitive auditions. Consult your major teacher if you wish to be nominated for a class.

**There is a requirement that all string students must attend two master classes each semester as part of their concert attendance requirement. Students who do not fulfill this requirement will not receive credit for concert attendance.**
8. Professional Leave

Students may request to be excused from school for professional engagements for periods not longer than two weeks. The appropriate form is available in the office of the registrar or the office of student life, and requires the signature of all teachers, the Chairman, and the signature and approval of the Dean of Academic Affairs.

II. Ensemble Requirements

1. Orchestra

All string players must participate in orchestra every semester, for the entire semester, until graduation. Seating auditions will take place at the beginning of each semester. These auditions take place behind a screen so that the audition panel cannot see the person playing. Only orchestral excerpts are heard at this audition, and orchestral seating is determined by the results of the audition. Careful preparation for this audition is strongly advised. Please consult the Office of Orchestral Operations for applicable repertoire. Students are required to take this audition each semester. Any string player unable to attend the required audition must contact the office of orchestral operations prior to the audition date. Please consult the orchestra handbook for further information.

2. Chamber Music

Students are required to complete a minimum of six semesters (undergraduate), four semesters (graduate), by assignment (professional studies/doctor of musical arts) of
chamber music. Other than a one year undergraduate requirement, bassists are not required to play chamber music, but will be assigned by individual student request as possible in coordination with the requirement for other string players. The Manager of Chamber Music and Ensembles makes assignments, in consultation with the Chairmen of Strings and Piano. Students are strongly advised to fill out a chamber music request form each semester. Specific requests for type of ensemble, fellow players, and coach are given serious consideration.

3. Orchestral Repertoire
All string students enrolled in undergraduate and graduate programs must complete a minimum of four semesters of Orchestral Excerpts classes. Consult the office of the registrar for more information.

III. Juries

1. Jury for Non-graduating Students
Every student must play a jury during the May jury period of each school year until applicable jury and recital requirements have been fulfilled. A fall jury period will be scheduled each year, as necessary, for students who need to take a jury at that time. Consult repertoire requirements early in the school year, and prepare carefully for this important event. Juries are a vital part of your training as a performer, and the resultant scores have bearing on your academic record, scholarship, chamber music, and orchestra assignments, and other aspects of your standing within the School. The Office of the Registrar assigns jury days and times. Students are responsible for providing their own accompanists for juries. Early planning will avoid last-minute scheduling problems. Students are encouraged to read their jury comments, which are
available in the Office of the Registrar. The jury performance times allotted in non-graduating years are: freshman—ten minutes; sophomore—fifteen minutes; junior—fifteen minutes (junior double bass—ten minutes); first year of graduate study—fifteen minutes. Please review Nonrequired Recitals.

2. Sophomore Continuation Jury

This jury, at the end of the sophomore year of study, establishes that a student’s progress has been sufficient to reasonably ensure completion of the program of study. The evaluation will determine whether or not a student may continue in that program.

3. Advanced Standing Jury

This jury, for undergraduate students only, is for the purpose of advancing a student’s performance status by up to one academic year. Students must satisfy the following conditions in order to be considered for advanced standing:

- be an undergraduate junior
- have a cumulative GPA of 3.7 or higher
- have received a grade of A- or higher in all major lessons
- have received a grade of 4.3 or higher in all previous juries
- be on track to complete all academic requirements by the time of the proposed graduation
Advanced standing juries may be taken only once, and the results of the jury are final. Graduate students are not eligible for advanced standing.

The appropriate petition is available from the Office of the Registrar, and requires the approval and signatures of both the teacher and the Chairman. It is then to be filed with the Office of the Registrar for final approval. The jury takes place in December. It is twenty minutes in length, and is not combinable with a graduation jury. Follow the repertoire requirements for the junior year, plus at least five additional minutes of music. The jury repertoire and performance should clearly demonstrate that the playing is worthy of advanced standing consideration. Playing the advanced standing jury is no guarantee of performance status advancement. The decision is based upon academic standing and faculty evaluation of the jury.

4. Jury for Students Graduating from Undergraduate and Graduate Programs

Students expecting to graduate from either program during the current school year must play a graduation jury. Consult applicable repertoire requirements. Students are responsible for providing their own accompanists. Graduation juries will be the last week of April and they are scheduled by the Office of the Registrar. Review the Required Recital section of this handbook. A graduation jury and/or graduation recital does not serve as a substitute for an entrance examination to a higher degree level.
All current students who take an entrance audition at MSM for a higher degree program and are accepted by the school are not required to play a graduation jury

5. Professional Studies and Doctor of Musical Arts
   In most cases there are no juries. Review the Required Recital.

6. Jury Postponement
   The Dean of Academic Affairs will only consider a student petition requesting postponement of a jury in extreme medical conditions (documented by a physician), sudden family emergencies, or other exceptional circumstances. Any student who fails to play a scheduled jury will receive an F for that jury and be placed on academic probation, or, depending on the circumstances, may be subject to immediate dismissal from the School. A postponed jury must be successfully completed not later than the first week of the subsequent semester.

IV. Recitals

1. Nonrequired Recitals
   Students are encouraged to give recitals in nongraduating years. Consult with your teacher for approval. Most nongraduating recitals are given in the fall semester when recital space is less at a premium. Consult the scheduling office for a recital application. Students are responsible for providing their own accompanists.

2. Required Recital—Undergraduate and Graduate Programs
Students expecting to graduate from either program during the current school year are required to give a graduation recital in addition to the graduation jury. Follow repertoire requirements carefully in building a recital program. Make certain that your teacher approves of the chosen repertoire. Consult the scheduling office for a recital application. Further, the recital repertoire approval form, also available from the scheduling office, requires the approval and signatures of your teacher and the Chairman. The teacher’s signature implies that the student is prepared to perform. Once the major teacher has signed the form, the teacher is not permitted to request a postponement of the recital. The signature of the Chairman signifies approval of the repertoire and programming. **The chairman will not sign a recital repertoire approval form until the major teacher has done so.** Students should be certain that the program is accurately written before submitting it for signatures. The recital repertoire approval form is to be filed with the scheduling office and the Chairman at least four weeks prior to the recital date. Students must be enrolled for major lessons until the graduation recital and graduation juries (as applicable) have been successfully completed. A graduation recital and/or graduation jury does not serve as a substitute for an entrance examination to a higher degree program. Students are responsible for providing their own accompanists.

3. **Required Recital—Professional Studies**
   Consult the scheduling office for a recital application. Consult repertoire requirements carefully. Students are responsible for providing their own accompanists. Students are required to present an audio recording of the
recital to the Chairman as soon as possible after the recital for adjudication by appropriate faculty.

4. **Doctor of Musical Arts Recitals**
   Consult the Assistant Dean for Doctoral Studies for procedures and requirements.

5. **Recording of Recitals**
   Consult the department of recording and distance learning in Room 312 for all pertinent information.
